Indo-Australian Chamber of Commerce

Indo-Australian Chamber of Commerce (IACC), set up in 1989, functions as a catalyst for evolving effective business partnerships between India and Australia in a broad spectrum of activities. IACC has extensive contacts in Australia and works closely with the country's trade and industry, Chambers of Commerce and trade associations to help Indian business find a base in Australia. The Chamber offers the following specific services to its members.

○ **Market Intelligence**

The Chamber provides an important source of data and information on Australian market trends and opportunities for Indian companies. The Chamber furnishes trade enquiries regularly to its members.

○ **Business Matching**

Helps Indian and Australian companies to develop linkages and tie-ups, joint ventures and collaborations.

○ **Business Delegations**

Leads an annual business delegation to Australia. It is widely seen as the best way to reach out to Australian companies. More than 140 Indian companies mostly in the Small and Medium Enterprises have benefited from participating in the Missions.

○ **Seminars / Workshops**

Conducts at regular intervals awareness programmes by experts and professionals on Australian business to help Indian companies on Australian business opportunities, setting up offices in Australia, visa procedures, etc.

○ **Chamber's Website**

Corporate Members are entitled to have their websites hyperlinked to the Chamber's website, www.indoaustchamber.com. It thus connects them directly to the Australian market. It is being updated on a regular basis.

The Chamber's website is frequently visited by Australian companies and institutions.

○ **Issue of Certificate of Origin**

The Chamber is authorised by the Ministry of Commerce to issue Certificate of Origin (Non-Preferential) and attest export documents.

○ **IACC Publications**

The Chamber's Annual Report and Bulletin reach out to large number of Australian companies and other institutions and are widely seen as excellent media for advertisements by the Australian and Indian companies seeking business connections.

The Chamber's online magazine, "Business Talk", tracks every business story that connects India and Australia and is a valuable reference publication for Indian companies seeking business in Australia.

○ **Chamber's Library**

The Chamber is regularly adding latest publications on trade and industry, brought out by leading organisations and Chambers of Commerce/Associations in India and Australia for reference in the library.
